Panel Questions – Role of Parent and Professional

- How has the role of parent impacted your work in family centered intervention?
- Why is it important to connect families with other parents?
- Any pitfalls? How do you manage them?

Young adult role models

- How do you see young adults serving as role models in early intervention?
- What preparation is needed for their participation?

Resiliency and Grit

- How did these traits develop in your own life - at work, home, school?
- If you could leave us with one concept or perspective that would positively impact our work, what would that be?

Thank you to Joanne, BoMee, Paula and Maddie!
